

# It took YEARS and YEARS to develop CAMEL QUALITY

We worked on Camels for years before we put them on the market. Years of testing—blending—experimenting with the world's choicest tobaccos.

And now, EVERY DAY, all our skill, manufacturing experience and lifelong knowledge of fine tobaccos are concentrated on making Camel the best cigarette that can be produced.

There's nothing else like Camel QUALITY. And there's nothing else like Camels wonderful smoothness, fine tobacco flavor and freedom from cigaretty aftertaste.

That's why Camel popularity is growing faster than ever.

A better cigarette cannot be made.

We put the UTMOST QUALITY into THIS ONE BRAND.

## NEGRO FOUND IN YOUNG

LADY'S ROOM IS LYNCHED.  
Pittsboro, Sept. 18.—The cold body of Ernest Daniels negro youth, been used with which to hang the tree about five miles east of Pitts-

boro this morning about 10 o'clock, his body having been riddled with bullets. An automobile tire chain had been used with which to hang the Daniels, who, it is alleged, confess-

ed to officers at the time of his arrest Saturday evening that he was the negro who was found leaning over the bed in which Miss Gertrude Stone daughter of Walter Stone, of New Hope township, Friday night, was sleeping, was taken from the jail at Pittsboro about 2 o'clock this morning, the mob over-powering Jailer W. H. Taylor and taking the keys of the jail from him.

Walter Stone, father of the young woman who discovered the negro in her room, was away from home when hunting at the time of the incident. When Miss Stone screamed the negro, it is said, ran away. When Mr. Stone returned home he was informed of the occurrence and notified officers, who looked for the negro Saturday morning without any results. However bloodhounds arrived from Raeford Saturday afternoon and were placed on the tracks left by the negro as he left the Stone residence. After trailing the steps for some distance they bayed Daniels, and officers state he confessed that he was the man wanted. Daniels lived near the home of the Stones.

Several violent crimes recently committed in this county are thought to be responsible for the lynching, much indignation having been expressed by residents of the county over these crimes.

## 24½ Million Dollars Invested by Employees of Swift & Company

More than 21,000 employees of Swift & Company own or are paying for shares in the business. These men and women have attested their faith in the integrity and good will of the company by investing their savings in the business.

Their holdings represent a total of nearly 250,000 shares, the par value (\$100 a share) of which is more than \$24,500,000.

These 21,000 represent more than one-third of our average number of employees!

One man out of every three, in plant, office, and branch house, from the handworker on the floor to the brain worker at the desk; working *with* us as well as *for* us, devoting himself to his own business while devoting himself to ours; promoting his own interests in every motion or moment saved, in every product improved or maintained at perfection, in every service rendered through prompt, thorough, effective distribution of products.

This interested, eager group of fellow partners working with us for the good of Swift & Company and the public which we serve, constitutes one-half of the ownership of Swift & Company in point of numbers, and nearly one-sixth in point of shares outstanding.

It represents practical and successful progress toward the end at which enlightened modern industry is aiming for the solution of industrial problems—toward cooperation, mutuality, brotherhood in business, for the good of all.

Swift & Company, U. S. A.
